### Regional Source

Western Australia.

### Vintage Conditions

2004 will go down as a great year for reds in Western Australia (although whites are pretty smart as well). A long, warm, dry summer and autumn gave great conditions for fruit and flavour development. The resultant wines have bright varietal fruit with lovely soft tannins.

### Maturation

Parcels of this wine were matured for 12 months in a combination of French and American oak.

## Winemaker Comments: Charlotte Newton

### Colour

Bright, cherry red.

### Nose

Cherry and plum aromas combine with darker cassis notes and touches of vanillin spice.

### Palate

Bright red cherry and blood plum flavours flood the palate against a backbone of bramble and cassis fruit. Understated oak flavours play a supporting role adding complexity and soft tannins to the lengthy palate.
